The Early Riser

St. John's East Stands Out!!

Brian Martin

St. John's East was front and centre in helping to stage this year's District Conference. To all who played a role, no matter how big or small, I want to convey a sincere **Thank-You** on behalf of our club for putting off a truly first class event. As always, our club stepped up to the plate and as President, I was in awe of the effort put in by so many of our members.

As you are all aware, St. John's East was recognized for its efforts this year as the **Outstanding Club in all of District 7820, which includes 46 clubs throughout Atlantic Canada!!!!**

This award recognizes the club that has demonstrated outstanding results in all aspects of Rotary Service. On behalf of the Board of Directors, I would like to convey a hearty **Congratulations** for this great achievement. Without a doubt, this award represents the hard work and sacrifice of you, our members, in helping to improve the lives of those less fortunate.

To steal a quote from Noel Bajaj, RI President William Boyd's representative, during his opening remarks at our breakfast on May 11th:
"Let's not focus on our achievements but our potential".

So, while we should take the time to celebrate this outstanding achievement, let's also be mindful that there is still work to be done. As a proud Rotarian, I look forward to working with you all in continuing to serve those in need.
