Club Website is Up and Running

Brian Martin – Club President

It gives me great pleasure to inform you
that the St. John's East Rotary Club
Web Site is now up and running. You
can access our web site through the
following link:

<http://www.rotarystjohnseast.com/>

Should you wish to enter the Member
Directory (Roster) part of our site, it is
located under the Membership tab. You
will need a username and password to
access this information. Contact any
executive member for this information.

Another key element of the site is a link
to our Foundation. Should you have a
charitable cause, all you now have to do
is send them the link to the site where
they can access both application forms
and guidelines. With the site now up
and running, I am sure there are
improvements that can be made. Any
ideas for improvement can be directed
to me.

I would encourage you to visit the site
and browse around. There is a lot of
great information about our club. I

would also encourage you to send this link to others, whether they are interested in becoming members or just want to learn more about our club.

In closing, on behalf of the club, I would like to thank Art Stanley of Triware for helping out with this project from both his direct participation and financial support. I would also like to recognize Miriam MacLeod who has also put in a lot of work.

Newest Member... Tony Roche

Tony was born and raised in St. John's. He received his Bachelor of Commerce (Honours) from Memorial University in 1995. Upon

graduation, he moved to Toronto and accepted a position with State Street Canada in offshore mutual funds.

Recognizing the importance of continuing his education, he returned to school to pursue his MBA at the Richard Ivey School of Business at the University of Western Ontario. After completing the program in 2000, he accepted a position in New York City with Credit Suisse First Boston, focused primarily on merger & acquisition advisory transactions.

While Tony enjoyed the fast-paced and challenging environment of Wall Street, in 2002 he and his wife Denise (Kavanagh) decided it was time to move back home to be closer to family and to start their own little family. He started in his current position as a Manager in CIBC Commercial Banking in early 2003. In this role, he services the commercial banking needs of mid-market companies throughout Newfoundland.

Tony is an active member of the community and donated time to Junior Achievement and volunteer coaching in recent years and is currently an Ambassador for the St. John's Board of Trade. In his spare time, Tony enjoys

playing hockey and Ultimate Frisbee and mountain bikes extensively.

Spouses' Lunch & Family Breakfast

Terry Reardon – Director

Our Club's annual Spouses' Luncheon is set for Friday December 15th, 12:00 for 12:30 pm start in the AVALON BATTERY ROOM at the Fairmont.

Please pencil that in to your crowded agendas. There will be no breakfast meeting on that day.

The Family Breakfast is also scheduled for Friday December 29th at The Cabot Club. 8:45 AM for 9:00 AM start.

RI Contact Centre

Rotary International Foundation

Fully operational on 1 October 2006, The Rotary Foundation's new "Contact Centre" began answering questions posed by Rotarians in Canada and the United States via a toll-free telephone number: 1-866-9ROTARY (that's 1-866-976-8279).

This pilot project, currently available only in Canada and the USA, will enable Rotarians to get their Foundation questions answered promptly. The Center will be staffed by Foundation personnel experienced in Humanitarian and Educational programs as well as Fund Development. Rotarians seeking contribution reports, questions on Matching Grants, Paul Harris Fellow recognition, and other general Foundation questions should call the toll-free number first. The Centre will answer calls Monday through Friday from 8 a.m. to 5 p.m. Central Time and currently only available in English.
